English Literature

PROFILE

Untitled - TextEdit

File Edit View Help

I'm passionate about telling stories through code and design. I have an acuity for problem solving and as a lifelong learner, I am eager to continuously grow my skills in order to keep up to date with the fast-changing trends within the industry and further my skillset.

In my spare time you can either find me melting in hot yoga or attempting a master chef disaster. I'm always up for an adventure, trying new things and travelling.

WORK EXPERIENCE

FULL STACK WEB DEVELOPER

Annexe Development | August 2022 - October 2022

- Developed frontend for a gamified HR application using React, Javascript, Tailwind/Bootstrap, Git, and Bitbucket.
- Improved and optimized master code by using/creating component libraries and refactoring code.
- Ensured proper code functionality by debugging using ESLint before deployment to production.
- Collaborated with key stake holders across multiple departments (partnering developers, DevOps, UI/UX team) to deliver on client's objectives
- Performed Quality Assurance analysis to ensure that web/mobile application was inline with UI/UX Figma specifications

FULL STACK WEB DEVELOPER

Freelance | April 2022 - Present

- Designed, implemented and pushed to production a mobile application using Rails that enables users to check/go to brunch places with the shortest wait-time { <https://www.brunchtime.live/> }
- Built an Airbnb clone web application using Rails, Bootstrap, SCSS, PostgreSQL that allows users to rent cameras { <https://aircams.herokuapp.com/> }

WORK EXPERIENCE

SCIENCE CURRICULUM DEVELOPER/TEACHER

Explorations | July 2021 - July 2022

- Building a diverse science curriculum with a strong focus on experiential learning
- Adapt teaching methods and instructional materials to meet students' varying needs and interests
- Establish clear objectives for all lessons, units , projects and communicate these objectives to students
- Plan and conduct activities for a balanced program of instruction, demonstration and work time that provides students with opportunities to observe, question and investigate

SUBSTITUTE TEACHER/ ENSEIGNANTE SUPPLÉANTE (GRADE K-11)

Selwyn House School | September 2020- May 2022

- Adapt teaching methods and instructional materials to meet students' varying needs and interests.
- Establish and enforce rules for behaviour and procedures for maintaining a safe, respectful, cooperative classroom
- Manage classroom and student behaviour
- Confer with parents or guardians, teachers and administrators to resolve students' behavioural or academic problems
